

Vacancy Notice

Speech Pathologist Part Time (0.6 EFT) – Short Term

The Victorian Aboriginal Health Service is looking to employ a Speech Pathologist to join the Women & Children's Unit/Koori Kids Unit until the 30th June, 2018 with potential of longer.

The role is responsible for the assessment and management of speech and language disorders in children and adolescents, through primary consultations and provision of secondary consultations to VAHS clinicians on appropriate management of children and young people.

The successful applicant will possess the following:

- Qualification and registration as a Speech Pathologist with Speech Pathology Australia
- Demonstrated experience in assessing and managing speech, language and swallowing disorders in infants, children & adolescents and supporting their parents /carers
- Demonstrated experience in working with children and families with complex needs
- Demonstrated experience and capacity to assess the general developmental functioning of infants, young children and adolescents and their communication function in that context.
- Ability to work in multidisciplinary teams including in close collaboration with Aboriginal Health Workers in an Aboriginal community controlled setting
- Current Working with Children Check and Full Victorian Driver's License
