

## **Job Description**

We welcome applications from the following vocations:

- Psychology
- Occupational Therapy or Exercise Physiologist
- Diabetic educator
- Osteopath
- Chiropractor
- Physiotherapists
- Speech Pathologists
- Dietitians

\*\*Proposal from other practitioners also welcome

Successful applicants will possess relevant qualifications in related disciplines, demonstrated experience in their field, eligibility or membership with the appropriate professional association, excellent interpersonal and time management skills as well as good computer skills. We have flexible opportunities to allow you to grow your business within our established medical centre and happy to provide support and assistance.

## **Our Location**

This fully Accredited Practice is in a great location in a busy shopping precinct in Ascot Vale, next door to a 24hr pharmacy & Pathology.

## **Job tasks and responsibilities**

As an allied health practitioner utilising the medical centre, you will be an integral part of the clinic's mission. We pride ourselves on having a friendly, high-performing and efficient team.

## **Skills and experience**

Previous experience is essential.

Job Type: **Contract**
