

# North Western Melbourne Stakeholders

NWMPHN works with around **2,000** stakeholders

The North Western Melbourne Primary Health Network (NWMPHN) covers a large area of Melbourne. To achieve our goals, we work closely and collaboratively with all levels of government, general practice, primary health care providers, hospitals, consumers and carers. The information below illustrates the scale of health care providers and other stakeholders that we engage with.

## NWMPHN region with Local Government Area boundaries
