ABOUT YOUTH PROJECTS

Youth Projects is an independent charity that offers support and employment opportunities to at risk young people looking to re-engage with learning, and provides health care and assistance to members of our community experiencing homelessness and disadvantage. We provide front line support to individuals experiencing disadvantage, unemployment, homelessness, alcohol and other drug issues, and young people looking to reengage with learning and employment. Our connected model of support is rare in the community sector. We have always offered a holistic approach that combines multiple services in one place.

We are a non-judgemental service with a strong focus on respect, client centred care and harm prevention. We work with clients on a personalised, tailored basis to address highly complex issues faced by people experiencing multiple and complex needs.

We are community based and independent of government, or any religion. We work to ensure each member of our community is empowered with the skills, confidence and support to sustain a life of independence and wellbeing.

Our vision:

Life changing opportunities for every young person.

Our mission:

High impact support | Without judgement | Fullstop

Our values:

Social Justice | Inclusion | Empowerment | Integrity | Respect | Courage | Commitment

Our people at Youth Projects are our priority. We commit to you a fantastic employee experience and we ask that you commit to our mission, vision and values. We also ask that you commit to our values of a workplace free from discrimination and promote and embrace diversity.

DUTIES & RESPONSIBILITIES:

The AHPC Coordinator oversees our Night Nurses program to provide clinical outreach support to people sleeping rough in Melbourne's CBD. The position will be critical to provide and develop outreach nursing responses which engage service users in order to create linkages with our Living Room Primary Health Service and a range of external health, outreach and housing services. The Coordinator will be expected to work a minimum of two evening shifts per week including some weekend shifts.
