Use this sheet to tally your doses used and discarded, then record your totals in the Online Vaccine Management Portal at the end of each day.

BEFORE SESSION:			END OF SESSION:					
Date	Vaccines booked in	Doses drawn up	Doses given (planned)	Doses given (opportunistic	Doses discarded*	Reason doses were discarded	Unopened vials left in stock	= Number of doses in unopened vials

*Practices should take all necessary steps to minimise stock wastage. In the event of a potential or actual wastage incident that exceeds the threshold (5 or more vials at a time) practices need to contact the Vaccine Operations Centre on 1800 318 208 within 2 hours and complete the Vaccine Wastage Report in the Online Portal <u>cvas.health.gov.au</u> including if the wastage occurred during transit.

For advice regarding vaccine supply, please call the Vaccine Operations Centre on 1800 318 208. For general advice on the COVID-19 vaccination rollout, please consult the <u>HealthPathways COVID-19 Vaccination pages</u>, or call North Western Melbourne Primary Health Network on 03 9347 1188.
