The Royal Children's Hospital Melbourne

Family Information

Your General Practice and The Royal Children's Hospital are working together on a study to strengthen GP's care for children.

Strengthening Care

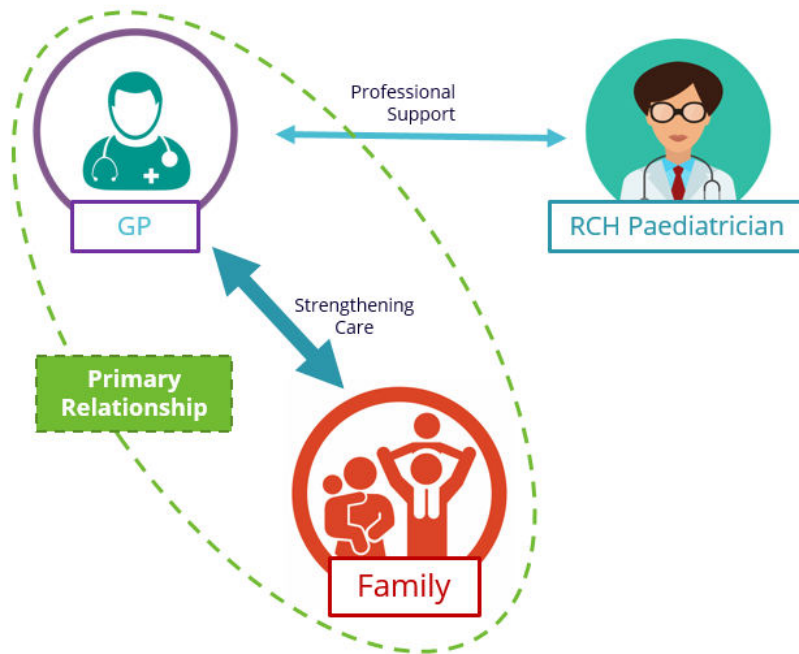

The Royal Children's Hospital Melbourne

Family Information

Your General Practice and The Royal Children's Hospital are working together on a study to strengthen GP's care for children.

This project aims to support and strengthen the care provided

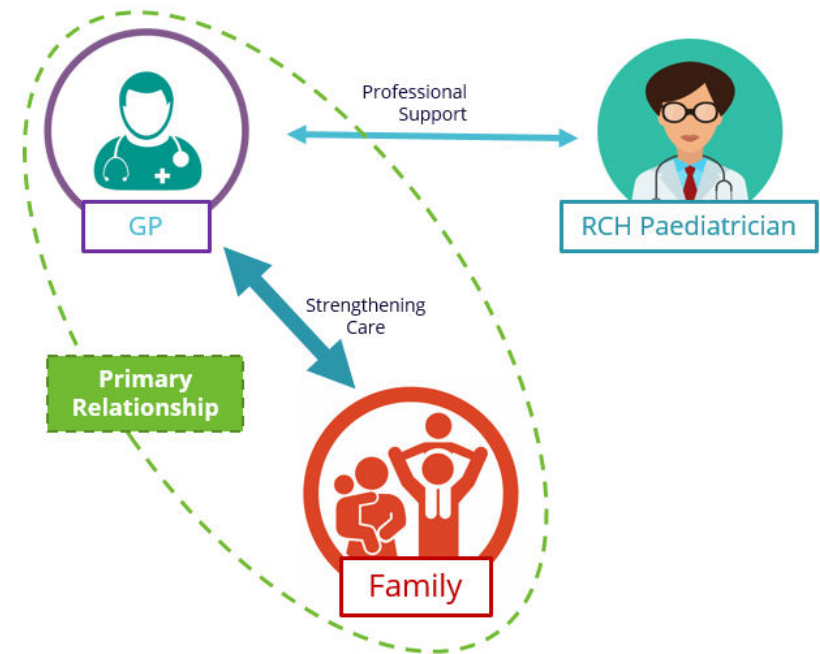

My GP has referred my child to the SC4C Paediatrician, what does this mean?

The clinic will make a new 30-minute appointment for you and your child to meet with a GP and the RCH Paediatrician to consult together on your child's health. This is at no additional cost to you.

Will the SCHN Paediatrician become my child's ongoing Paediatrician?

No. If your child requires ongoing specialist care, your GP will refer your child elsewhere. This study ends in **MONTH YEAR**, after which the RCH Paediatrician is no longer available for appointments at
