

SC4C: Required CPD Information

Eligible GPs participating in the Strengthening Care for Children (SC4C) Trail will be eligible to receive:

- **40 x CPD Accredited Activity Points** (formally CAT1): Supervised Clinical Attachment (SCA) for participating in co-consultation with the SC4C Paediatrician.

Self-Directed Learning activities has a minimum requirement of 10 accumulative hours of contact time. We will provide you with the education activity template for your completion and instructions on how to submit via the RACGP dashboard.

- **2 x CPD Activity Point** (formally CAT2) for attending monthly (one hour) case-discussions led by the SC4C Paediatrician.
(12 monthly case-discussion resulting in a total of 24 Points)

To support CPD Program Points for activities within the SC4C Trail please fill the below details for each GP participating in the SC4C Trail.

The SC4C research team will also use below email address to contact GPs to complete pre and post surveys during the trial. The surveys you complete will be via REDCap, a secure, web-based application hosted on Murdoch Children's Research Institute infrastructure. Your name and practice in which you work for will be recorded by the study team for research tracking purposes only but will not be attached to the survey responses to ensure that your responses are non-identifiable.
