

Consent Form – General (Extended) – Delphi Survey Participants

Project Title: Quality Equity and Systems Transformation in Primary Health Care (QUEST PHC):
Developing and testing a tool to measure quality in Australian General Practice.

This study has been approved by the Human Research Ethics Committee at Western Sydney University. The ethics reference number is: H[*insert number*]

I hereby consent to participate in the above named research project.

I acknowledge that:

- I have read the participant information sheet (or where appropriate, have had it read to me) and have been given the opportunity to discuss the information and my involvement in the project with the researcher/s
- The procedures required for the project and the time involved have been explained to me, and any questions I have about the project have been answered to my satisfaction.

I consent to:

Participating in three rounds of a Delphi survey

I consent for my data and information provided to be used in this project and other related projects for an extended period of time.

I understand that participation is entirely voluntary and you are not obliged to be involved. If I do participate, I can withdraw at any time without giving reason. I understand that I am able to withdraw my data and information within the time (two weeks) that each survey is opened and that once the survey closes I will be unable to withdraw my data and information given within that survey from this project.

I understand that my involvement is confidential and that the information gained during the study may be published and stored for other research use but no information about me will be used in any way that reveals my identity.

I understand that my participation in this study will have no effect on my relationship with the researcher/s, and any organisations involved, now or in the future.
