Avoid waiting in an emergency department.

Our doctors provide free urgent medical treatment, when you can't see your GP.

We can treat conditions such as cuts requiring stitches, sprains, minor burns, rashes, ear nose and throat infections, other infections, and gastroenteritis.

Our service is free for everyone, with or without a Medicare card.

If you have severe trouble breathing, blueness around the mouth, chest pains or pain in your arms or jaw, call Triple Zero (000) for emergency help.

Pre-booked and walk-in appointments available.
