

## Want to know your COVID-19 antibody levels?

You can find out by joining our research study! Help us understand which vaccine strategies provide the best safety and protection to fight against COVID-19.

### You can join our study if you are:

- 18 years or older
- Have had 3 doses of any COVID-19 vaccine
- Have not had your 4<sup>th</sup> dose

### How will you be involved?

- You can choose to be in a group that receives no additional vaccine
- OR choose to get a 4<sup>th</sup> dose (bivalent Moderna or Novavax)
- Provide up to 4 blood samples over 12 months

### What are the benefits?

- You will get your antibody level results
- You will receive a \$20 gift voucher and a parking/public transport voucher per visit
- Be part of a research study that will help inform global COVID-19 vaccine strategies
