

Child Mental Health CoP - Session 6

Gender Diversity

5 December 2023

Pathways are written by GP clinical editors with support from local GPs, hospital-based specialists and other subject matter experts

- **clear and concise, evidence-based medical advice**
- **Reduce variation in care**
- **how to refer to the most appropriate hospital, community health service or allied health provider.**
- **what services are available to my patients**

Melbourne

Individual HealthPathways Logins

HealthPathways users are invited to complete a quick survey (4 min) to gather information about moving to individual user logins. This functionality is currently in development so your input is vital. The survey is open until Tuesday 24th Oct, 2023.

12 October

Buruli ulcer is spreading

Buruli ulcer is spreading across Victoria, and possums and mosquitos bites are playing a role in transmission. See Buruli ulcer information and resources for clinicians. Cases must be notified to the Department of Health. [Read more...](#)
