

## Identify patients eligible for a GPCCMP or GPCCMP review

*This walkthrough will allow you to identify patients with a chronic condition recorded in your practice software who are eligible for a GPCCMP, or patients who have previously had a GPCCMP and are eligible for review.*

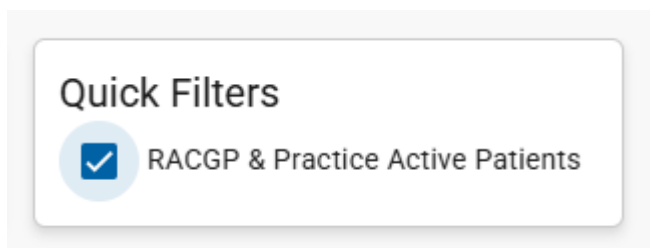

### Step One

Open POLAR. Under the “Report” menu, select your Clinic Summary Report.

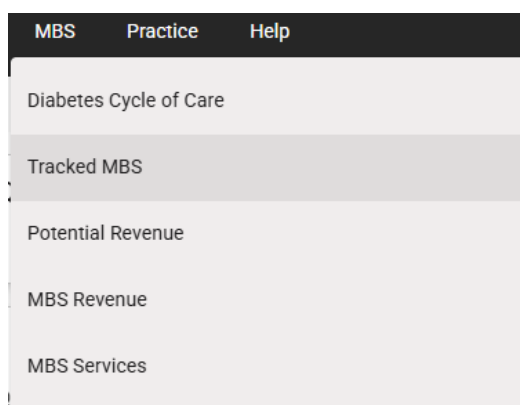

### Step Two

Ensure the “RACGP & Practice Active Patients” quick filter is selected.

### Step Three

Under the “MBS” menu, choose the “Tracked MBS” report

## Step Four

The report will default to opening in the tracked MBS item GPCCMP.

Selected TMBS item

GPCCMP

Select the “Patient Cohort” tab to identify eligible patients
