

Expressions of interest open: Practice Manager Peer Connect

Join us at our Practice Manager Peer Connect meetings – a new opportunity for practice managers to connect, share, and grow together.

Whether you're new to the role or a seasoned leader, these sessions are designed to support and inspire. All practice managers are welcome to attend all meetings.

PM Peer Connect is your go-to space to:

- Exchange ideas and practical solutions
- Stay up to date with all in practice management
- Build meaningful connections with fellow practice managers and grow your network.

Peer Connect sessions

- **26 February 2026** – western region
- **4 June 2026** – northern region
- **15 October 2026** – central region

Stay tuned – locations and times will be shared in 2026.

Other opportunities

- **Multidisciplinary chronic condition management workshops** – Regional education sessions for general practice and allied health staff to strengthen chronic conditions care and local networks.
- **Quality improvement spotlights** – Guided sessions for GPs and practice teams focused on improving quality of care and patient outcomes.

Stay tuned – dates, locations and times will be shared in 2026.

Expressions of interest open: Nurse Skill Share

Join us for our Nurse Skill Sessions, held three times a year, designed specifically for practice nurses looking to enhance their clinical knowledge and connect with peers.

Each session provides a focused deep dive into a key topic, led by experienced professionals who share practical insights you can apply in your everyday work.

They're also a fantastic opportunity to network, exchange experiences, ask questions, and build connections with fellow nurses in a supportive and collaborative environment.
