

AusCAPPS Network
Community of Practice

A free online network designed to support primary care clinicians to provide **long-acting reversible contraception (LARC)** and **early medical abortion (EMA)** services.

Benefits of joining AusCAPPS

- Connect with GPs, practice nurses, nurse practitioners, midwives, Aboriginal Health Practitioners and community pharmacists who have an interest in providing LARC and/or EMA services in Australia
- Discuss case studies and chat with peers and expert clinicians
- Find providers near you and build local networks
- Get access to the latest evidence-based resources, guidelines, webinars and podcasts
- Keep up to date with education and training opportunities related to LARC and EMA

Join AusCAPPS

Project partners

The AusCAPPS Network is supported by funding from the Australian Government Department of Health, Disability and Ageing.
